Look what consumers are saying about the Arjuna Ginger Bar...

"Oh My Lord - I just discovered this bar yesterday & had to find your page & tell you how much I enjoyed it! I tried really hard not to eat it all - little piece by little piece it went... Really love the flavour. It's almost like a cross between an old fashioned liquorice & something malty with the long lingering gingeryness aftertaste - & the coconut sugar! Divine! Top marks!" - J. Cook, Nelson, New Zealand

"Arjuna Ginger Bar is like 'black gold'. Already the first bite awakes taste buds making you want more of it. After the one bite you just have eat the whole bar. The liquorice like combination from ginger and coconut sugar is just addictive together with the right spiciness." - Tiina Ryti, Vantaa, Finland
